I COUNTY THE LOTTE removes all defected of the all the skin, preserves and restores its complexities and restores its complexities. July 1.

Often I think of the beautiful nown.
That is seated by the const.
Oscalie thought? I go up and down.
The pleasant of role of that does old towa.
And my youth nones back to me.
And a tree of a Laplaced roug.
Is framitied one in measure of it.
Oscalie is the wholes with.
And the thoughts of youth and 1905, for And the distraints of youth are They long thoughts."

MY LO T YOUTH,

BY HEXLY W. LONGIET LOW.

I wanted the shall see line of its trees.

And catch, be so blee glearer.

The sheen of fir safe on the execut,
And fished other of the Respecides,
Of all my bests of gones.

And the back not not can obtseng.

It maximum is 1 with personal to
A logic will be the whalls will.

And the Courters of years are long, long thoughts,

thoughts," remember the black wharves and the slips,

remember the bulwarks by the share, And the fortuge at the shore, And the fortuge at the hill;
The sentice gan, with its hallow root,
The draw door repeated over reflect,
And the large wild at 4 short,
Thools in my memory self;
A loy's will be the wind's will,
And the result is the wind's will,

I remember the sea fight for away, How it thursband o're the inde! And the dead capables as they be. In their graves obely deing the tranquil bay, where it is in them and

Where they in heater that monerall sung And the course of that monerall sung Goes through me with a tail, A hey's will is the wind a will, And the thoughts of youth are long, long them.

Lean receive his 27 done of groves, And the simbor of Dischar's words; And the triend-by cold and the early laws Come look with a Saboath sound, as of

There are things of which I may not speak; There are that class that cannot do: There are that class that make the strong

There are thou dos that make the shear wick.
That thing a prior into the cheek.
And a mist before the type.
And the words of that had song Came over me like a chin;

A hoy's will be the winds with.
And the thousand of you hope come.

And the thoughts of you hance long, long thoughts, Strange to me and another fines I meet.
When I visit the flow old lowers.
But the native size is the account.
And the trees that over had wearly well.

Known s to.
As they belo be up and down. Are singled the a merion of all Are sharing and will be only sharing A large will be the view of the state of

And the merger of yeath and long long thought?"

Wert,
I find my lost yearth again.
And the stronge and houndful song.
The groves are equilibrile straig.
A boy's will take winds with

PARTIES IN ENGLANDS More than ordinary importance is attached to Huglish politics at the present time. As Americans we can but be interested in what Is going on across the water, for our rewhatever affects that Empire more or less are to a great extent one people and abare a common interest.

The battle between the two great parties in England has within the past year taken a entions turn. The Conservatives under the nominal lead of Lord Derby, but through the active management of Districti who is the soul of the full in the extreme. You can form no conparty, have outgeneralled the Libends who seem quite unnerred by the mexpected success of their opponents. Not a word has been uttered in public by any of their leaders since the close of the system. They are apparently damfounded. The Conservatives have gone considerably further than they had dreamed of going, culty has been obviated this winter. Lead Derby and not Lord Russell is the great champion of Reform. Mr. Distable but proved more liberal than the Liberal Mr. Glad tone; more radical than the Hadical Those who now wish to enjoy winter scener John Bright. But while the Liberal leaders have held ther peace, the victorious Conrerestives have been loudly proclaiming found in New York. The Spencer House their triumphs before the people. Since the close of the session, Lord Derby and Ma Distabil have taken frequent opportunay to explain and defend the course of the Government. Two weeks ago the latter made a merch at Edinburgh, in which be not only su sained his reputation as an orator of the fast rank, but vindicated his claim liters at the Falls. to be considered the most consumuate politicina of the age. This speech of Mr. Dismeli is remukable as well for audacious as-impations of liberolism for the Conservain the property from its carliest history to the present time, as for its frank acceptance of the Constituted a large share of the popular time, as for its frank acceptance of the first present time, as for its frank acceptance of the first present time, as for its frank acceptance of the first present time, as for its frank acceptance of the men constitute a large share of the popular time, and has already we the first present difference of the first present time, and has already we the heart of the proper party. Honday evening the formal first proper party that they all may be one."

In the first present its carliest history to the proper party time to precious the proper party valuable lefters discreted to Little, Brown & Co., failed to the substitute a large share of the popular of the first precious to precious the proper party. Honday evening cultivate, and has already went the heart of the proper party. Honday evening cultivate, and has already went to be trunk was found a precious trunk was found a precious of the first proper party. The found is proper taking for his text the prayer of the proper party valuable lefters districted to Little, Brown & Co., failed to reach the proper party. Honday evening cultivate, and has already went to be heart of the proper party. Honday evening the proper party was found at a present against the proper party was found at the proper party was found a men," but invists that they are not to be alarm that followed the passage of the Reform bill of 1832. He recards three demonstrations as the violent and not unexpected indications of a change going on. He admits that the Reform bill of this year will give a new character to the constitution, somethic but stew powers and influences into its notion. He expects that in cousequantity of these changes, great questions will action. But he welcomes these changes as a presided national progress. He thinks the great question becomes therefore, whethor the change, which is inevitable, shall be that party as long as Lord Derby shall toto aposts more correctly perhaps, as long as

Roston Advertiser on the 19th: Seinfor Wade arrived this evening. J., was totally distroyed by fire this afternoon, also four small remove those about \$20,000; insurance \$4000; to \$7000. The five was caused by sparks from a lacemotic on the Camben and Atlanta Backgood. lantic Hallroad.

Waşiinoros, Nov. 26. The members of Congress are rapidly arriving and the business of Congress will doubtless be recoined to-morrow. All the members of the Committee in the Judiciary were present at the meeting to-day, Representative Wood, bridge having but recently arrived. The Committee cause to ununderstanding on the impresentation massion. A resolution was imposibilities to infinitely state of the imposibilities and in secure scorecy on the part of the members until their reports shall have been made to the House. The repairs of the unjority and inhority are in the course of preparation.

New York, Nov. 20. The suspension of J. K. Place & Co., cagaged in the tea and sugar trade, was amounted to-day. Their liabilities are said to be heavy.

Washington Evening Disputches.

New York, Nov. 20.-The Times' spec al says there is bandly a third of the House in Washington. Congress will probably oljourn from Thursday to Monday, to enable the Speaker to make a list of commit-

i-2 cents. Prints, at 11 cents; See: Prints, 12 1-2 cents, m and Wool Flannels, 25 cents; All Wool, 55 The imprassion prevails that the trial of Jeff Davis will be again postponed.

The Judiciary committee have concluded the examination of newspaper proprietors relative to government advertising by exeentise ender, without authority.

No vote was taken on impeachment. Thad Stevens visited the Capitol yester.

Uen, Cary made a spreeh last night, favoring the eight hour movement, to the Working Men's Association which scrennl-Gen. Camby has issued an order punish-

ing persons for obstructing rallroads in his department.

The Herald's Washington special says 24 Senators and 73 Representatives are in

The PRESS will be an embeddment of the spirit of the age.

Each department will spark's with the geological think root extend with the day.

Will be as official. It is not expected that any nomination will be sent to Congress until December. Strong pressure will be brought to hear o remove Formey and place a western manin the Secretaryship of the Senate.

General Shorman will not reach Wash ingion until December, or until after the Peace Commissioners conclude the Indian treaties at Fort Laramie. Chief Justice Chace's busily preparing

cases for the Supreme Court here, The World \* special says : Col. Wiswell is a prominent candidate for revenue commissioner.
